

ARTS FOR  
LITTLE HEARTS

**MEET US AT:**

**DATE AND TIME:**

*Arts for Little Hearts* knows that when creating something special for a hospitalized child that he/she have never met, the creator as well as the receiver will share a special bond of compassion, love, confidence, courage and optimism that crosses all cultures and countries.

A unique Project, Co-founded by 2 brothers, Tyler and Colin, when they were 12 and 14 years old, to spread hand-made art projects created by children and adolescents to hospitalized children all over the world. This is the first venture of its kind.
